As indicated by the budget summary (Exhibit A-4), a revenue surplus of \$223.14, plus a net unexpended balance of appropriations of \$138.98, resulted in a net budget surplus of \$362.12.

**Summary Statement of Receipts and Expenditures:
(Exhibit B-1)**

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1963, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1963, is indicated in Exhibit B-2.

Statement of Long Term Indebtedness: (Exhibit I)

A statement of outstanding long term indebtedness as of December 31, 1963, showing annual debt service requirements, is contained in Exhibit I.

Audit Procedure

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

General Comments

Current Surplus:

The current surplus (excess of total assets over current liabilities) decreased by \$48.35, from \$22,459.63 to \$22,411.28, in 1963 as shown herewith:

	Dec. 31, 1962	Dec. 31, 1963
Total Assets	\$126,147.28	\$134,253.94
Current Liabilities	103,687.65	111,842.66
Current Surplus	<u>\$ 22,459.63</u>	<u>\$ 22,411.28</u>

Uncollected and Unredeemed Taxes—

Prior Years' Levies:

It is noted that there are substantial amounts of uncollected taxes on the warrants of 1960 and prior years and unredeemed taxes from the sales on account of the levies of 1960 and prior years, as indicated herewith:

	Uncollected Property, Poll & Yield Taxes	Uncollected Head Taxes	Unredeemed Taxes
Levy of			
1960	\$ 344.42	\$ 40.00	\$ 216.43
1959	228.78	40.00	115.94
1958	112.04	15.00	
1957	479.54		41.40
1956	135.24	5.00	126.08
1955	791.05		11.50
Prior to 1955	167.30		
	<u>\$2,258.37</u>	<u>\$ 100.00</u>	<u>\$ 511.35</u>

The Tax Collector and Selectmen should carefully go over the uncollected lists on these warrants and such taxes thereon as appear to be uncollectible should be abated by the Board. The inclusion of uncollectible taxes on prior years' warrants in the Balance Sheets year after year tends to distort the true picture of the Town's financial condition.

The Tax Collector should give deeds to the Town on the properties represented by the tax liens on account of the tax sales for the levies of 1960 and prior years, inasmuch as the two year period provided by law for redemptions has expired.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Whitefield for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER

The librarian and trustees wish to thank all their friends who have given books and magazines to the library this past year. They are most helpful and much appreciated. Many paperback editions have also been donated. A dozen work-books for children written in Braille were given by Mrs. Katherine Brownell and may be borrowed at any time.

A gift of \$25.00 was sent to the librarian by Mrs. Charles Agnew, a summer resident, which was specified to be used for the purchase of children's books. Two fine reference books were purchased with money given by the townspeople in memory of Mrs. Alice D. Humphrey, former librarian, who died in September 1963.

A book-case, matching one in the reading room, has also been given in Mrs. Humphrey's memory, by her relatives and friends in Downers Grove, Ill., the home of her daughter, Mrs. Roy Nielson.

About 250 books and a few magazines have been borrowed from the State Library and the Book-Mobile, for use by our patrons.

Respectfully submitted.

MORRISON HOSPITAL & ASSOCIATION REPORT

Although Morrison Hospital today functions as a private, non-profit institution owned by the members of the parent Morrison Hospital Association, it seems fitting, in the light of its history as a municipally owned and operated facility, to include a brief resume of its activities in the 1963 Town of Whitefield Report.

The measure of quality and scope of any hospital lies basically in its medical and nursing staffs and in this regard we are most fortunate in having two excellent physicians in community residence, a fine group of covering medical specialists and a dedicated staff of registered nurses, technicians and aides to care for hospitalized patients. The recent addition to the regular medical staff of Dr. Robert L. Thomas, a board certified surgeon who is also handling obstetrics and general medicine, rounds out already excellent service and coverage long rendered by Dr. Jorge A. deVillafane.

Construction of a new maternity unit and conversion of the third floor into a Geriatric Department were major components of overall alterations to the hospital plant in 1963. These and other changes make Morrison Hospital one of the best equipped among small community health facilities in this area. However, the job of improvement is far from finished and continued progress is anticipated.

Outside financial support continued to be given during 1963 both from municipal and private sources. The results of a concerted fund raising drive last summer were most gratifying. Few, if any, private, voluntary hospitals can be self-supporting today and continued assistance will be energetically sought.

Membership in 1963 in the Morrison Hospital Association totaled 246, and it is hoped the number can be increased this year. A drive for new and renewed mem-

bers is underway. You can join simply by making an annual contribution to the association, and your membership entitles you to an active voice in hospital affairs.

Morrison Hospital is the focal point of Whitefield's community health needs. The entire staff, Trustees and associated agencies stand ready to serve.

WHITEFIELD VILLAGE FIRE DISTRICT

Commissioners' Report

The auditors' report published on the following pages speaks for itself and portrays the financial condition of the W.V.F.D. However, there are areas not covered by the audit report, there are also items mentioned that are not self-explanatory. The following summary, then will touch on some of these items and on areas not covered by the report.

First of all, it may be well to comment on the physical condition of the districts. In mid-winter of 1963 it was discovered that six hydrants in District #2 were defective and could not be turned on during extremely cold weather. Corrective steps were taken and with constant maintenance the hydrants were kept working through the winter months. In early spring a meeting was held by the Commissioners to discuss, with several members from each district, what action should be taken towards repairing or replacing the defective hydrants. The decision was made to replace the old hydrants with new ones. The Mueller Company accepted partial responsibility for the faulty equipment, and agreed to sell replacement hydrants to W.V.F.D. at the cost price of \$148.70 each. It was further decided that this would be an opportune time to install gate boxes for each hydrant. The Mueller Company agreed to sell the department gate boxes at the cost price of \$34.50 each. The total cost of the hydrants, gate boxes and labor for installations totaled \$1,255.50. Upon completion of the above project, the system returned to a sound physical condition.

Before discussing the financial picture it might be well to touch on certain rate reductions that were made during 1963. In April of 1963 The Morrison Hospital Association applied to the District for a rate reduction. Administrator Morgan Vander Voort

pointed out to the Commissioners, that while the Lancaster Hospital paid \$400.00 per year and the Littleton Hospital paid \$360.00 per year, the Morrison Hospital was paying \$632.00 per year. It was decided to make a flat rate, applicable to the Association of \$450.00 per year. This rate was made retroactive to November of 1962, and thereby covered the full 1963 billing periods.

In June of 1963 the Commissioners met with Mr. Frank S. Dodge, Jr. and Mr. Randall Spalding to discuss lower rates for very large water consumers. The combined bill for the Spalding Inn and the Mt. View House for 1962 totaled \$5,635.67. Due to the increase in the use of water each year the water bill for the above mentioned hotels keeps going higher and higher. It seemed sensible that increased water consumption, in commercial establishments, did indeed warrant a lower rate. A commercial rate was established and made retroactive to May of 1963. This rate is applicable to any place of business, in District #2, that uses in excess of 100,000 gallons of water in any

one billing period. The rate is as follows:

1st 100,000 gallons per 6 mos.	\$1.50 per 1,000 gal.
Next 100,000 gallons per 6 mos.	1.20 per 1,000 gal.
All over 200,000 gallons	.90 per 1,000 gal.

The above rate amounted to a twenty per cent reduction for the Spalding Inn and the Mt. View House.

The total revenue from water rentals for District #1 was \$16,712.74. This represents an increase over 1962 of \$488.53. The income from water rentals in District #2 was \$9,098.51; this represents an increase of \$1,924.61. This increase was due to a large billing made in November 1962 that was paid in January 1963.

Unfortunately, the operation expense side of the ledger, rather than showing a decrease, showed a

substantial increase. This is true especially in District #2. Operating costs in this District were \$1,823.25 over the 1962 operating expenses. The aforementioned hydrants expense accounts for most of this increase.

Some efforts have been made to decrease operating expenses. The major step has been a reduction in full time personnel. In May of 1963 an agreement was reached with Mr. Robert Stiles, whereby he would become a part-time employee. This arrangement will save the District \$1,451.25 in labor cost. The major portion of this savings will be reflected in operating costs for 1964.

The Accounts Receivable item continues to show some improvement. The 1963 Accounts Receivable were \$708.87 less than in 1962. Since 1961 the Accounts Receivable have been reduced by \$1,525.39. The above figures apply only to District #1 Accounts Receivable; District #2 have never been a problem.

Debt reduction continues at an acceptable rate. Long term notes and bonded indebtedness for the two Districts were reduced as follows:

1962

Long Term Notes District #1 & #2	\$24,000.00
Bonded Debt	6,000.00
	<hr/>
Total	\$30,000.00

1963

Long Term Notes District #1 & #2	\$23,000.00
Bonded Debt	4,000.00
	<hr/>
Total	\$27,000.00

The Districts have a short term indebtedness of \$3,000.00. The auditors chose to count this in with the long term notes. Thus, the total decrease for the two Districts is \$3,000.00.

Following the last March Meeting a committee was appointed to survey the feasibility of town ownership of the W.V.F.D. Members of the Committee are as follows:

Bartlett McKinney, chairman, J. Morgan Vander Voort, Iris Drouin, Edward McDonald, and Kenneth A. Jordan. As this is written the Study Committee is hard at work preparing their report. This report will be mailed to members of W.V.F.D. before the annual District meeting.

The annual District meeting will be held on Monday, March 30th at 8: p.m. You are urged to attend this very important meeting.

The Commissioners realize that this brief summary does not answer all questions that might arise; neither time nor space would permit a full discussion of a full year's work. Once again you are urged to attend the annual meeting and if you have further questions, they will be answered at that time.

The Commissioners wish to thank all who have assisted in any way during the past year. Our special thanks to Chairman McKinney and his fine committee; to the Whitefield Savings Bank and Trust Company for the use of their conference room, and to all the many citizens who have acted in an advisory capacity.
